

# Hurricane Street

Hurricane Street...[is] another raw expose on the cost of war. The book, which he calls a prequel, drills deep into the 17-day drama of a 1974 sit-in and hunger strike staged by Kovic and a band of fellow wounded veterans who took the federal building on Wilshire Boulevard by storm...The book is an unflinching anti-war declaration, written in blood and the sweat of too many haunted nights by a Vietnam Marine Corps sergeant who later opposed the wars in Iraq and Afghanistan.--Los Angeles TimesThe author of *Born on the Fourth of July* (1976) recounts the brief 1974 movement he initiated to change how Veterans Affairs hospitals cared for wounded soldiers...The great strength of this book is that the author never minces words. With devastating candor, he memorializes a short-lived but important movement and the men who made it happen. Sobering reflections on past treatment of Americas injured war veterans.--Kirkus Reviews[A] compelling snapshot of early 1980s activism....Without social media or cell phones to boost the signal, it was Kovics flair for the dramatic and ability to marshal reporters that turned the protest into a battle victory....Kovics updates on the fates of his fellow veterans provide a memorable and bittersweet conclusion.--Publishers WeeklyThe author of the bestseller *Born on the Fourth of July* writes an impassioned and timely memoir about the 1974 American Veterans Movement that will strike a chord with veterans and their families today.--Publishers Weekly, Top 10 Pick for Spring 2016Kovic, a Vietnam veteran paralyzed from the waist down and the author of the seminal war memoir *Born on the Fourth of July* (1976), looks back to the spring of 1974, when he led a two-week hunger strike in the Los Angeles office of U.S. Senator Alan Cranston ... Kovics personal tale is also a timely topical book as veterans mental and physical health care

remain woefully insufficient.--BooklistForty years ago the Vietnam vet from Massapequa--wounded in combat and in a wheelchair ever since--published his classic war memoir, later made into a film with Tom Cruise. The anniversary edition features a foreword by Bruce Springsteen. Kovics new book, Hurricane Street, chronicles the 1970s activism of the American Veterans Movement.--NewsdayForty years after his Born on the Fourth of July memoir came out and 27 years after Oliver Stones movie got Tom Cruise his first Oscar nomination, the paralyzed Marine sergeant who became a face of Vietnam veterans anti-war protests is back....In this work of both memory and fiction, Kovic explains his and fellow patients 18-day hunger strike--against Long Beachs atrocious VA hospital--while occupying Sen. Alan Cranstons Los Angeles office.--Military TimesIn the spring of 1974, as the last American troops were being pulled out of Vietnam, Ron Kovic and a small group of other severely injured veterans in a California VA hospital launched the American Veterans Movement. In a phenomenal feat of political organizing, Kovic corralled his fellow AVM members into staging a sit-in, and then a hunger strike, in the Los Angeles office of Senator Alan Cranston, demanding better treatment of injured and disabled veterans.This was a short-lived and chaotic but ultimately successful movement to improve the deplorable conditions in VA hospitals across the country. Hurricane Street is their story--one that resonates deeply today--told by Kovic in the passionate and brutally honest style that led to over one million sales of Born on the Fourth of July.
