

Con Academy

Its his senior year and Will Shea has conned his way into one of the countrys most elite prep schools. But he soon runs into Andrea, a fellow con-artist. With the school not big enough for the both of them, they make a bet that whoever can con Brandt Rush, the richest, most privileged student in the school out of \$50K, gets to stay at the school. Will starts setting up his con (an online poker scam) with his uncle whos one of the best grifters in the business, but also with the unwanted help of his father.. The plot thickens as Will starts falling for fellow student Gatsby, and some of Wills lies start to catch up with him. In this twisty tale of scams, secrets, lies and deception, it hard to figure out whos conning who!
