Would you do it? Could you open yourself up to the pleasures they offered and do exactly what they said in order to pass on to the next round?It was common knowledge that Ryley and Camden Jameson, well-known MMA fighters and identical twins, were just as aggressive and passionate in the bed as they were in the ring. The only problem was that if you didnt pass their test on the first night, then you didnt proceed to the next round. They loved a good fight, and thats what they got when they met Ashleigh Warren.Ashleigh knew what was going to happen when the twins approached her with a proposition, and needless to say, she knew exactly how to handle them ... or so she thought. The rules had changed, and in order to get them both she had to first spend one night with each and last until they were done with her. It was a proposition she couldnt refuse, but she knew it wouldnt be easy to win. However, it was one that she was going to enjoy.
