

A Girl in a Million (Mills & Boon M&B) (Betty Neels Collection, Book 98)

Mills & Boon presents the complete Betty Neels collection. Timeless tales of heart-warming romance by one of the worlds best-loved romance authors. A dynamic consultant and a student nurse? Im not aware that I am restricted in my actions by anyone or anything. Arrogant, rich and devastatingly attractive, Marius van Houben was the sort of man who was used to getting his own way. He certainly wasnt prepared for Carolines plainspoken, commonsense approach. After all, as a student nurse, both qualities were an asset if only Marius thought the same!
