

Long Walk: M/TV

MORE THAN HALF A MILLION COPIES SOLD! The classic adventure story that inspired the new major motion picture *The Way Back*, directed by Peter Weir *** I hope *The Long Walk* will remain as a memorial to all those who live and die for freedom, and for all those who for many reasons could not speak for themselves. Slavomir Rawicz [Los Angeles Times *The Long Walk*] must be read and reread, and passed along to friends. National Geographic Adventure, The Vancouver Sun Its not just some Polish bloke who wanted to get home. Its about how we all struggle on every day. Somehow or other we find a reason to keep on going and its the same here but on an epic scale.--Benedict Allen, explorer and bestselling author of *Into the Abyss* and *Edge of Blue Heaven* *** In 1941, the author and six fellow prisoners of war escaped a Soviet labor camp in Yakutsk camp where enduring hunger, cold, untended wounds, and untreated illnesses, and avoiding daily executions were everyday feats. Their march over thousands of miles by foot out of Siberia, through China, the Gobi Desert, Tibet, and over the Himalayas to British India is a remarkable statement about mans desire to be free. Written in a hauntingly detailed, no-holds-barred way, the book inspired the Peter Weir film *The Way Back*, due for release in late 2010. Previous editions have sold hundreds of thousands of copies; this edition includes an afterword written by the author shortly before his death, as well as the authors introduction to the books Polish edition. Guaranteed to forever stay in the readers mind, *The Long Walk* will remain a testament to the strength of the human spirit, and the universal desire for freedom and dignity. *** Six-time Academy Award nominee Peter Weir (Master and Commander, *The Truman Show*, and *The Dead Poets Society*) recently directed *The Way Back*, a much-anticipated film based

on The Long Walk. Starring Colin Farrell, Jim Sturgess, and Ed Harris, it is due for release in late 2010.
