

Rain Song (Heart of Carolina Book #1)

Nicole Michelin avoids airplanes, motorcycles, and most of all, Japan, where her parents once were missionaries. Something happened in Japan...something that sent Nicole and her father back to America alone...something of which Nicole knows only bits and pieces. But she is content with life in little Mount Olive, North Carolina, with her quirky relatives, tank of lively fish, and plenty of homemade pineapple chutney. Through her online column for the Pretty Fishy Web site, she meets Harrison Michaels, who, much to her dismay, lives in Japan. She attempts to avoid him, but his e-mails tug at her heart. Then Harrison reveals that he knew her as a child in Japan. In fact, he knows more about her childhood than she does...
