

Impossible to Resist (The Men of Wolff Mountain Book 3)

Imposing and brooding, Dr. Jacob Wolff has built a wall around his heart as impregnable as the mountain on which he lives. Until, with one simple request, Hollywood beauty Ariel Dane knocks it down. Ariel needs Jacob to pose as her lover. But weeks on location with the young, sassy extrovert torture the reclusive doctor and her seductive body teases him, making him burn white-hot and hungry. Ariel hired him to protect her, not bed her. And now Jacob finds himself in an untenable situation, lusting for the one woman he can never have.
