

## Adams Rib: Mystery of the Ages

The greatest love story ever told commences in the Garden of Eden when a bride is made from the body of the bridegroom, a picture-within-a-picture. The saga ends after many centuries when we see in Revelation another bride having been made from her Bridegrooms body. The epic events between the two marriages tell the story of why God chose marriage, the mystical union of two opposite genders becoming one, to mirror transcendent truth. Adams Rib: Mystery of the Ages is a creative biblical exposition of this story.
