

Gareth: Lord of Rakes (The Lonely Lords)

New York Times and USA Today bestselling author Grace Burrowes writes *The Lonely Lords* with passion and heart. Caught between a rake and certain ruin... Felicity Worthington's only hope of avoiding poverty—or worse—is to learn to run the brothel bequeathed to her by a distant cousin. Gareth Alexander, Marquis of Heathgate, finds himself in the impossible position of having to help Felicity by teaching her the art of pleasing a man. Felicity's loveliness in no way reduces his resistance, leaving Gareth to wonder if the honor he thought long dead still survives, and whether that honor will allow him to yield to the lady's ruinous scheme... and to their shared desires... Sizzling sexy... the miracle of love and the magic of Grace Burrowes writing come together to create an escape into the Regency world where romance finds a way against tremendous odds. -Long and Short Reviews A wonderfully written story of redemption full of humor, secrets and action. -Under the Boardwalk Once you enter Grace Burrowes lush Regency world, you'll never want to leave.
