

## The Making of a Queen (Ariana) (Volume 1)

On a rainy Parisian evening, memories plague Ariana de Cotte. Memories of her beloved twin brother, her estranged parents, and the loneliness and anger that consume her. She is nineteen, its her wedding night, and her life seems beyond hope or repair. Thus begins the story of an extraordinary young woman who, as her life spirals downward, struggles to find meaning and hope in the face of unimaginable suffering. Her bitter refusal to listen to the LDS missionaries only increases her pain, as does blaming God who has allowed her so much heartache. Until one dark night, when her life hits rock-bottom and the Spirit begins its whisperings to her heart. As you come to know Ariana, you will weep for her tragedy, smile at her small triumphs, rejoice as she embraces a faith that will sustain her, and feel the love of a good man who helps her find the power to change her life forever. Rachel Ann Nunes has created a powerful and moving novel with characters so real that you will let them into your heart and find yourself re-living this exceptional story again and again. The last few chapters of this book contain some of the most powerful images of forgiveness and redemption that Ive seen in any Christian novel. Though the religion of the characters is LDS, this novel should be read by everyone who craves to understand and feel the Saviors touch in their own lives. Well done! --Daniel Schroeder, Boston Note: This is the latest version of this book, completely updated and revised by the author. Any version with any other cover, whether print or ebook, is outdated.
