

# Banished to the Harem (Empire of the Sands series Book 1)

A black eye and a night in prison was not how Sheikh Rakhil Alzirz expected his latest fling to end, but it was worth it, for the pleasure of meeting his next conquest! His return to the throne imminent, Rakhil seizes the chance to discover if Natasha is as fiery between the sheets as her flaming red hair, but his recklessness has consequences. Natasha might be carrying the Alzirz heir, so Rakhil whisks her away to the desert to await the truth. In the meantime, he has a vacancy that needs to be filled!
