

Brazen (Mills & Boon M&B)

Samantha Reed is willing to settle into marriage as a trophy wife to a wealthy older man if it will help her aging father pay off his debts. But not before having her first, last and only fling cramming a lifetime's worth of lust into one weekend with the first available guy she finds. And when her car breaks down near a roadside tavern, she sets her sights on the sexy bartender Mac Mackenzie, the perfect man for her love-him-and-leave-him fantasy. Only, it never occurs to Samantha that she might fall in love or that Mac might have a few fantasies of his own.
