

Brazen & Burning (Mills & Boon Temptation) (Sensual Romance)

Romance writer Sydney Slow Burn Colburn has a head for three things—money, books, and sex. Luckily for her, she gets to play around with all three a lot. But now she wants more, needs more. So she tracks down the one man she's never been able to forget, her former lover Adam Brody. Only, to Adam she's not quite so memorable. Months after a near-fatal car accident, Adam is just getting his life back. The last thing he expects is a vivacious redhead, with hot promises in her eyes and seduction on her mind, to track him down. Sydney claims they shared a torrid, secret affair. Only, Adam can't remember it or anything else. But he will. Because no man can withstand Sydney's powers of persuasion for long.
