

## Unleashing Gods Power in You (Bondage Breaker)

Gods power.how does it work within Christians? Can it truly bring people closer to their loving Father-truly help them grow and make them holy? Growth in the Christian life and victory over sin are impossible, states Neil Anderson-unless believers understand what Scripture declares: They really are new people, reborn in the Spirit, whose deepest desires are now directed toward God. When Christians grasp this truth, it unleashes Gods power within them: \* They understand that sin is what they sometimes do-not who they are \* They intimately experience God as their loving, accepting Father, not as a heavenly scorekeeper \* Joy and contentment replace discouragement and cynicism Based on material from Gods Power at Work in You.
