

He's everything she's ever wanted... Photographer Dominique Jeffries has come to Wyoming to find herself – her creative self, her sexual self. After escaping the engagement from hell, she's looking to live a little. And seducing a shirtless, hot and rugged cowhand looks like just the place to start... Nick Chance isn't exactly a cowboy but he'll be whatever the lady wants! Only he soon realises that there's something about Dominique that calls to him, something about her that completes him. There's only one problem. Dominique wants a fling, not another relationship. How easily will she be persuaded to take a Chance – again and again and again?
