

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Historical Fantasy Romance, M/M, shape-shifters, HEA] As a berserkr warrior, protecting others came naturally to Ulfr. After watching his family get cut down before his eyes, Ulfr vowed revenge. Decades later, he is still looking for the jarl that slaughtered his family. When he discovers a sexy redhead being held prisoner by the very man he seeks, Ulfr has to decide between vengeance and protecting his mate. Sold into slavery by his brother, Eitri despairs that he will ever be free. When rescue comes in the form of the biggest warrior Eitri has ever seen, his fascination with Ulfr quickly outweighs his fear of the powerful berserkr. There are forces at work that threaten to take away all they have found in each others arms. A brother bent on seeing Eitri a slave, a mischievous god out to cause trouble, and a murderous jarl willing to kill anyone in his path to immortality are just a few of the obstacles Ulfr and Eitri need to overcome if they want to protect their own. \*\* A Siren Erotic Romance
