

Drawing Near: Daily Readings for a Deeper Faith

Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation. 1 Peter 2:2 Its a fact of life: our health declines if we dont nourish our bodies every day with food and water. Thats true physically. Its true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled... if it happens at all. Drawing Near, used daily in combination with Gods Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study Gods Word. As you well know from your own efforts, Bible study is not often entertaining its hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when its time to sit down, open your Bible, and try to decide what to do, youre not alone. Without some plan to follow, its easy to become frustrated and eventually give up after only one or two days. Thats where this book comes in. If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collections of 365 devotional readings by one of Americas most respected and trusted Bible teachers is for you!
