

Her Graces Passion (The Dukes and Desires Series Book 2)

Matilda, Duchess of Hadshire, was a virtual prisoner of a cruel husband who romanced his mistress right under the duchess's nose. Her only joy was dreaming of the handsome Earl of Torrison - for he, like her, was trapped in a horrid marriage and longed to find true love and happiness. Though she secretly wished for the death of her unkind husband, Matilda never imagined the guilt that would plague her when the illustrious duke was befittingly murdered by his own regular lady! When Matilda turned to Torrison for comfort, she discovered a few surprises in store for both of them.

ABOUT THE SERIES
Countesses, Marquises, Lords and Ladies, Viscounts and Princesses all meet in the Royal series where they at once both live and try to avoid lives of scandal and sin, where love - we pray - trumps all but revenge is sometimes the name of the game, especially if inheritance, notoriety and fortune are part of the hand. Here, many threads are skillfully interwoven in a highly entertaining series that never fails to please or fall short of its mark.
