Opposites attract Jenny Hunter was used to playing by her own rules, and there was little the beautiful, brainy woman couldn't conquer. But with her career skyrocketing, she'd decided to put love on the back burner except for a little innocent flirtation with her neighbourhood hunk Liam McCree. He wasn't into relationships—he knew he was bad news for women. But Jenny's warmth and spirit made him want more than just a fling. Could these two opposites find a way to make a life together?
