

## The Deceived (Forbidden Doors #2)

The occult is a very real influence for today's youth--and the world is only too eager to exploit their curiosity about the supernatural. Tyndale and Bill Myers, cocreator of McGee and Me!, counteract the deceptions presented by immensely popular titles with an innovative approach to juvenile fiction--the Forbidden Doors series. Insightful and straightforward, each volume tackles spiritual warfare by presenting biblical truths through realistic situations and characters. #2 The Deceived--Her newfound fascination with hypnotism and reincarnation leads Rebecca to doubt her Christian convictions--and nearly destroy her life. But her brother and a mystery friend named Z know that God can bring her through this dangerous deception.
