

# The Bushes

Based on hours of unprecedented interviews with members of the Bush family, *The Bushes* tells the inside story of the unique dynasty at the heart of American power. As well as laying out the secretive family's inner workings, this intimate and fascinating group portrait probes into such sensitive matters as their dealings in the oil business, George W.'s turbulent youth, and Jeb's likely run for the presidency in 2008. In this first full-scale biography, Peter and Rochelle Schweizer insightfully explore the secrets of the Bushes' rise from obscurity to unprecedented influence. The family's free-flowing, pragmatic, and opportunistic style consciously distinguishes them from previous political dynasties; they consider themselves the un-Kennedys. But with their abiding emphasis on loyalty and networking, the Bushes' continuing success seems assured, making this book essential reading for anyone who cares about America's future. From the Trade Paperback edition.

George H.W. and Barbara Bush are no strangers to the Houston metropolitan area. The warmth between them and Republican George W. Bush with arms around both his wife and Democrat Hillary Clinton is the camaraderie you often see. And finally, he's clearing the air on it. Apparently, Sean Spicer's hiding in the bushes meme isn't what it looked like, according to an interview. Samuel Prescott Bush, son of a minister, laid the foundation for the family's fortune. Known as the grand patriarch of the Bush clan, he was an "beat the bushes" definition, a low plant with many branches that arise from or near the ground. See more. Based on hours of unprecedented interviews with members of the Bush family, *The Bushes* tells the inside story of the unique dynasty at the heart of American power. For the Bush family, the young death of Robin Bush created a strong tie between George W. Bush and Barbara Bush. (File) Barbara Bush was First Lady of the United States from 1989 as the wife of George H. W. Bush, who served as the 41st President of the United States.
