

Getting Lucky: Sapphire Falls book five

Sapphire Falls book five TJ Bennett knows one thing for certain being in love isn't for him. Been there, done that, has the scars to prove it. But that's before he meets colorful, sweet, slightly-kooky Hope Daniels. Hope is only in town temporarily. She simply wants to have a cup of coffee with the father she's never known. That's it. She doesn't need to buy any Father's Day cards or have a date for any Father-Daughter dances. She just wants to have a conversation with the man who stole her mother's heart twenty-six summers ago in Sapphire Falls. But when her directions lead her to TJ's house instead, everything becomes a lot more complicated and a lot more interesting. Because there's nothing like a big gruff introvert to push this extrovert's let-me-make-it-all-better buttons. All of TJ's plans to stay uninvolved and out of her way evaporate quickly and before he knows it, Hope's got him thinking differently about everything family, home, heartbreak and maybe, just maybe, the fact that he's never actually been in love before now. The Sapphire Falls series: Getting Out of Hand, book one Getting Worked Up, book two Getting Dirty, book three Getting In the Spirit, Christmas novella Getting In the Mood, Valentine's novella Getting It All, book four Getting Lucky, book five Getting Over It, book six, coming in August!
