

PERSONAL POWER II. CREATIVE POWER (Or your Constructive Forces) (Timeless Wisdom Collection Book 131)

This book deals with your creative, constructive forces; with the forces of your purposive ideas and thoughts, and of your Constructive Imagination. It reveals to you the true purpose and offices of your Constructive Imagination, that wonderful creative plane of mentality. It shows you why and how Constructive Imagination and Determined Will constitute the great Creative Forces of Nature and of Man. It explains in detail the first element of The Master Formula, i.e.. Definite Ideals, or how to know exactly what you want. It teaches you how to plan and build on the mental plane that which you wish to take on form and substance on the material, objective plane of Nature. It shows you how and why Man must become a Mental Architect before he may become a successful Material Builder of things, conditions and effects. It instructs you in the art of constructing Creative Ideals. It goes deeply into the subject of the Builder and the Plan. It gives you the Secret of Effective Visualization. It informs you concerning the Dynamic Ideal. It proves to you the value of the Definite Purpose. It gives you practical directions for constructing and maintaining the Mental Laboratory in which you may evolve and manufacture desires and needed Ideas, Plans, Designs in any line of human endeavor, in any field of work. It gives you the fundamental Laws of Invention, and the principles of Creative Conception. Finally, it instructs you in the Art of Creation; it teaches you how to become a Creator in your own right, and on your own account.
