

# Rubaiyat of Omar Khayyam

Philosopher, astronomer and mathematician, Khayyam as a poet possesses a singular originality. His poetry is richly charged with evocative power and offers a view of life characteristic of his stormy times, with striking relevance to the present day. This translation by Peter Avery and John Heath-Stubbs is beautifully and lavishly illustrated in colour with numerous examples of Persian miniature painting. It also contains a valuable introduction and several appendices, including an essay on Persian painting.

THE RUBAIYAT OF OMAR KHAYYAM. 1 by Edward FitzGerald. 1. AWAKE! For Morning in the Bowl of Night.
