

Hunters Surrender (Mills & Boon Nocturne Bites)

Vampire hunter Rand Wilder hated vampireseven if they were as beautiful and alluring as vampire princess Dominique Valois.For years he fought the beings who had killed his father, resisting their dangerous sensuality. Yet even Rand was tempted by the intoxicating Dominique and her shocking offer: to hurt the vampire court by taking her virginity... . A desperate need to ruin her reputation had forced Dominique to seek out the hunter known as The Darkness. But she hadnt expected Rand to be so captivating and compassionate... .Soon a very different sort of need drove her desire to take Rand to her bed. And with Dominiques survival depending on it, she would have to use all her skills of seduction to make this strong hunter surrender to passion... .
