

## Scene of the Crime: Widow Creek (Mills & Boon Intrigue)

Lexie Forbes had come to Kansas looking for answers, but all she uncovered was a killer on her trail. Still, the FBI agent wasn't about to give up on her desperate search for the truth behind the suspicious death that sent her reeling even if no one in the small, eerie town was talking. No one except sexy rancher Nick Walker. Nick had experienced his own share of tragedy and all he wanted was to be left alone. But refusing the gorgeous and persistent Lexie was tougher than roping cattle especially once he realized they shared a very dangerous connection. Before long, Nick went from trying his best to ignore the sizzling tension between them to doing whatever he could to ensure Lexie didn't become the town's latest victim.
