New York Times bestselling author Julia London is a superstar of historical romance, and the Rogues of Regent Street novels rank among the genres most enchanting. This ebook bundle brings the entire four-volume series together for the first time: *The Dangerous Gentleman*, *The Ruthless Charmer*, *The Beautiful Stranger*, and *The Secret Lover*. Adrian Spence is determined that no one woman—not even the wanton wife he stole from his own brother—will ever possess *The Dangerous Gentleman*. For Julian Dane, scandal results from a moment of reckless abandon with the only beauty ever to refuse *The Ruthless Charmer*. After a shocking crime, Arthur Christian is forced to flee and compelled to rethink his rakish ways with the woman he knows only as *The Beautiful Stranger*. And Sophie Dane, no longer the trusting debutante of her youth, returns to England and finds a kindred soul familiar with the sting of betrayal in *The Secret Lover*.
