

Mail Order Bride: CLEAN Western Historical Romance : The Duped Bride & Her Marshall (Brave Brides & Lomax Bad Brothers Book3)

Emeline Redfield has known tragedy from an early age. Alone and abandoned by her family after a childhood illness, Emeline grew up without her nine brothers and sisters. She feels their absence every day and longs once more to feel a part of a family. But now at eighteen, Emeline can't see how that will ever happen. Everything changes, though, when she gets the frightening news that she is to be sold as a bride to a man that she has never met. Emeline doesn't want to go. Not even when she is told that Hank Lomax is a humble farmer. But she wonders: is this her one chance to find a family of her own? But the Lomax family is not the family she had imagined. They are not humble farmers at all. They are a family of wild men, outlaws and con men, and US Marshall Hank Lomax is no better than the rest of them. Hank Lomax hasn't spoken to his brothers in years. He has his reasons ... But how will the innocent Emeline, separated so cruelly from her own brothers and sisters, be able to understand that? What will happen when Emeline arrives in Dallas and realizes she has been duped? Hank is used to arresting men and taking them into custody. But he is not used to chasing down his own reluctant bride. And what lengths will Hank go to tame his runaway bride? This is a sweet and CLEAN WESTERN ROMANCE short story.
