

The Doctors Baby

A Romance With Very Unexpected Twists.... Anna is pulled from the sea after a boating accident but she has no memory of her life before that. Thankfully, her young and handsome doctor is devoting his life to the goal of getting her back on her feet and reconnected with her old life. As the two of them spend more time together they slowly find they are falling in love with each other and when Anna discovers she is pregnant it would seem like life has presented the two of them with the perfect gift. However, as Anna begins to remember her past it turns out that having the doctors baby is not going to be as simple as she first hoped...
