

Romance: The Thief And The Billionaire (The Complete Series)

From Amazon Bestselling Author, Lexi Duval, comes a delicious new billionaire erotic romance series, *The Thief And The Billionaire!* Readers should be 18+ for sex scenes and swearing. **PART ONE** Bianca Storms life isnt that of a normal girl in her early twenties. She doesnt have a normal job, she doesnt have normal friends, and she doesnt have any family at all. Shes very much self employed, and meticulous in what she does. Because if shes not, she wont be told off by her boss or fired...shell find herself behind bars for a very, very long time. Because Bianca is a thief, and shes excellent at what she does. Her specialties are liquor stores and gas stations, and she earns enough to get by comfortably without overstretching. Overreaching, she knows, gets people killed and locked up...and thats the last thing she wants. One day, however, while scouting a new target, she gets a feeling that shes being watched. Its those sorts of feelings that make her forget the score and start working on the next one. But this time, its different. Because this time, shes being pursued by a man who calls himself Mr Link, a man who works for the mysterious organization known as The Syndicate, and its enigmatic billionaire leader, The Jackal... Bianca has heard rumors of such an organization before, but never bought into them. Until now. Because now shes in a car being taken to meet with the mysterious billionaire known as The Jackal...and now her life is about to change for good. **PART TWO** Biancas meeting with the criminal billionaire known as The Jackal doesnt go quite as shed have expected, and when shes dismissed from his eerie, underground chamber, shes almost got more questions than answers. Mr Link, however, is there to guide her, and soon shes being given her instructions for the test that will determine whether she joins The Syndicate or not. This test initially appears like more than

she can handle alone, but as the days go by, she realizes that it might just be within her grasp. Soon, the day comes for her to put her plan into action, and everything seems to go extremely well. At least at first... Because there are still a few more surprises in store, and soon Bianca feels like she might just be in mortal peril. And right now, not even the criminal billionaire can do anything to help her. Or can he... PART THREE So, Bianca has passed the test, terrifying as it was, and has now been greeted as a fully fledged member of The Syndicate. Her life now will be more structured, and she'll certainly be earning more, but she'll need to earn her stripes first. Joining up with a team of specialists, she begins planning her first major heist, a jewelry store robbery that will see her take a modest cut of the takings...but still one that's much bigger than ever before. Gradually, she learns the ropes, and starts to feel more comfortable in her new role, but there's something else she wants that continues to linger in her mind The Jackal. Thinking nothing will ever happen between them again, however, she gets on with the rest of her life. But soon, she gets a knock on the door, and soon, her billionaire boss comes a-calling. And from there, things are only going to get more complicated for them both...
