The moment veterinarian Niall Fortson spies Tammy Cooper sunbathing in the nude, he knows his new neighbor is naughty and a knockout! With a bad reputation and a bad attitude, Tammy has trouble written all over her. And though Niall isn't looking for a scandal, he can't resist her. Luckily Tammy has a solution to cure them of their mutual case of lust—a two-week secret affair. Tammy soon realizes the boy next door is almost more man than she can handle. And she's enjoying handling him a little too much. After all, someone with her track record is all wrong for a guy dreaming of white picket fences. Still, Niall's determined to be more to Tammy than just a boy toy. And with the way he makes her feel, Tammy's inclined to let him convince her.
