

New Age Movement: What Do They Believe? (Cults and Isms Book 9)

The NEW AGE MOVEMENT, as it is commonly called, could be likened to a counterfeit John the Baptist movement, preparing the way for the coming antichrist and his rule on earth in the end time. It is not one single movement, with a specific leader at this time, but a rallying together of thousands of groups and individuals, all working towards a common aim. This worldwide network has been described as a huge cosmic sponge that absorbs all religions, cultures and governments, and culminates in the New World Order. Its principle aim is to establish a one-world, a one-world religion and a one-world political and social order. Who are they? And what do they believe? The New Age Movement: What Do They Believe? compares the teaching of this group with basic fundamental Biblical doctrine. This eBook is not designed to ridicule or scorn the teaching of those who differ in faith and doctrine, but to examine teaching that claims to either hold to orthodox Biblical Christian doctrine or claim that their movement accommodates Biblical Christianity. Available material was researched and leading people interviewed, where possible. The conclusions drawn in this ebook about the New Age Movement are based on information made available and every effort has been made to present the material as accurately as possible. The battle today is for the mind of men, women and children and we need, more than ever, to keep our attention focused on THE LORD JESUS CHRIST.. Looking unto Jesus, the Author and Finisher of our faith (Heb. 12:2).
