

## Vegas Heat

Vegas Heat is the powerful story of the Thornton dynasty of Fanny's twin sons, Sage and Birch: alienated from each other, one is content in his conventional life while the others search for happiness leads to tragedy and renewed hope. It is the story of Fanny's two daughters: Sunny, betrayed by her husband, fighting a battle no woman should ever have to face; Billie, whose obsessive devotion to the Thorntons' children's clothing empire has kept her from finding love. It is also the story of Fanny's search for her own roots and her relationship with Marcus Reed, the wealthy but mysterious businessman who promises her a passion she has been denied for too long. A poignant and passionate tale of pride and ambition, heartbreak and betrayal, tragedy and triumph, Vegas Heat resonates with drama and emotion. It is the story of a family's struggle for success against all odds and their search for love and acceptance. It is Fern Michaels at the peak of her storytelling powers.

The week ahead in the Las Vegas Valley will be another sunny and dry one as temperatures heat up midweek, according to the National Answer 11 of 42: I always travel to Vegas during the summer and it is so hot - 100 to 114 degrees (at times).
