

Homespun Christmas (Christian Romance collection): 4 Novellas of Hope and Love

Four Couples Find Love in a Small Town Determined not to Die For the good citizens of Hope, Washington, the future appears hopeless until a small boy's crazy idea for a Homespun Christmas begins to turn things around. A century earlier, when Pastor Fergus McKay came as a pioneer to the tiny logging village, he envisioned a place where couples could fall in love and grow old together in service to God and the community. But over the years, the hope died. All that remains is a village filled with despair. This Christmas, can love be kindled in the seemingly dying embers of this small logging town? Can the Christmas wishes of one young boy once again ignite the fires of optimism in the inhabitants of Hope? Will one Christmas centennial celebration change an inevitable outcome? Four multi-published, award-winning authors present a heart-warming story of people working together for a common cause and finding love. Enjoy Christmas as it once was and may be again in the town called Hope. Discover a real Homespun Christmas.
