[Siren Menage Everlasting: Erotic Historical Cowboy Menage Romance, M/F/M/M/M, voyeurism, HEA] Lacy Tanner buries her father and a month later leaves the only home she's ever known to search the Ballarat Goldfields for her brother, Craig. Chet Harland, Will Lesley, Kenton Grady and Walker Doyle arrive on the scene of a stagecoach hold up and rescue Lacy from the clutches of a band of notorious bushrangers. Lacy can't believe she is attracted to the four men and although they want her to stay in their home, she knows it's inappropriate and wants to find work. The men put their foot down and advise her of the dangers a woman alone would face from the wild men mining the goldfields. Lacy has always dreamed of having love from the man she marries and is unsure the four men she is in a relationship with will ever feel that way about her. Will Lacy make the right choice? ** A Siren Erotic Romance
