

# The Prairie Prince

For Katie Matthews, life held no promise of true happiness. Life on the prairie was filled with hard labor, a brutal father, and the knowledge she would need to marry a man incapable of truly loving a woman. Men didn't have time to dote on women—so Katie's father told her. To Katie, it seemed life would forever remain mundane and disappointing—until the day Stover Steele bought her father's south acreage. Handsome, rugged, and fiercely protective of four orphaned sisters, Stover Steele seemed to have stepped from the pages of some romantic novel. Yet his heroic character and alluring charm only served to remind Katie of what she would never have: true love and happiness she likes found only in fairytales. Furthermore, evil seemed to lurk in the shadows, threatening Katie's brightness and hope, and even her life! Would Katie Matthews fall prey to disappointment, heartache, and harm? Or could she win the attentions of the handsome Stover Steele long enough to be rescued?

And keeping it all together is the quiet giant in the back, Prairie Prince.
