Search-and-rescue expert Logan White is no stranger to high-pressure performance. That's why this ski vacation is so important and so hard to take. He knows he needs to unwind, but since he can't seem to do it, this holiday looks like a bust. Then he meets ski patroller Lily Harmon, who shows him precisely how sexy daring can be. She has an extreme move to beat every one of his own on the slopes, during rescues and in bed! Now he has to figure out a way to keep this melt-the-ice affair going after the vacation.
