

Originally published in England, this compact book is more than an apologetic of Christianity. It examines the mystique of Jesus and why, 2,000 years later, He continues to attract 70,000 new followers a day. Starting with a fact sheet on Jesus, the uninitiated or skeptic is presented with Jesus from the outside in. Quotes from some of history's greatest men, both believers and nonbelievers, are used to bolster the case for Jesus' claims. Readers are then asked to consider the character, miracles, teaching, and impact of Jesus. Most importantly, these elements are shown as indicators of the true objective of Christ. Author Michael Green then sets up the obstacles to knowing Jesus and passionately dispatches them. Readers are left with a decision: accept or reject Jesus as their personal savior.
