

When country boys meet a city girl, everyone is in for a wild ride...Slade Bower and Mustang Jackson are living the high life on the professional bull-riding circuit. The prize money is big, the bulls are rank and the women are willing. But something is missing. For Slade, waking up in a different city with a different woman each morning is holding less and less appeal. Even Mustangs creative attempts to shake things up dont help. Then along comes a big-city author whos like nothing theyve ever encountered. Something about her makes Slade sit up and take notice--and Mustang is always up for anything. Romance writer Jenna Block has a problem--her agent thinks a cowboy book will jump-start her career. A born New Yorker, Jenna doesnt do cowboys, not on paper, and definitely not in real life. Luckily for her there are two cowboys ready, willing and able to take her out of her comfort zone in every way that counts...and some ways she hadnt counted on. Warning: This story contains two hot cowboys, one very lucky woman, hot menage sex and lots of bull.
