

Sabbath Rest in a World of Stress

The Sabbath is a commandment and a practice that has become largely ignored by Evangelicals today. Our approach to the sabbath commandment was different [than our approach to the other commandments]. We had become so captivated by our work, so impressed by its demands on us and by our own sense of indispensability, that it had vanished from our consciousness, writes author and theologian Dorothy Bass. How are we to practice the Sabbath? How can our lives stand out and proclaim: Today something else is more important than commerce, busyness, my to-do list, or my kids extracurricular activities? And how can a proper understanding of Sabbath rest infiltrate and influence the way we live and work throughout the rest of the week? In this Kyria eBook, we explore these issues and many more. You'll discover insights from authors who've developed meaningful Sabbath habits and learn how they practice those habits in an attitude of grace. You'll be challenged with specific suggestions for how you and your family can more deeply connect with God during your day of rest. And finally, you'll be pushed to examine how you live the rest of the week how the all too common breakneck pace of multitasking can actually do spiritual damage.

The Surprising Power of Rest in a Nonstop World A. J. Swoboda For those whose work is physically demanding, the Sabbath may be most restful when it There is good stress, which we call eustress, and bad stress, which we call distress. Sunday is the Sabbath Day for most Christians but for ministers, we need more true Sabbaths. A movable Sabbath is convenient but it is stressful.
