1961, Alabama. Cecelia Sissy Little thought she had seen the last of Truitt Tate two years ago after he left her cousin at the altar. When he shows up at her door, claiming to be an undercover FBI agent and furthermore, in need of her assistance to play the role as his fiance, Sissy is less than thrilled. Aside from the fact that Sissy cant stand Tate, Sissy has worked hard to build a life for her and her nephews in their racially tense town. The last thing she wants is for Tate to come and upset things. Truitt Tate hasnt always been a gentleman, but he has changed, starting from the moment he first met Sissy Little. He comes to Alabama on assignment for business, but hopes to make it personal. As Tate becomes immersed in the Civil Rights movement and Sissy is forced to face old fears and secrets, will they find out that they have much more in common than they ever thought?
