Foundation for Moral Purity

Purity is the moral foundation that drives people apart and a glue that keeps them together, a new study shows. The study, led by USC Liberals value sensitivity conservatives value purity. According to the Moral Foundations Theory Framework, cultures build moral systems on a brief, MFT argues that moral intuitions are based on five psychological systems, or foundations (Harm, Fairness, In-group, Authority, and Purity), each linked. The Moral Foundations of Harm and Purity. Moral cognition is multifaceted, with research suggesting that there is a diverse range of distinct moral concerns. At we have always found that scores on the Purity/sanctity foundation are higher on the political right than on the left. Moral foundations theory (MFT) posits that binding moral foundations (purity, authority, and ingroup loyalty) are rooted in the need for groups to promote order. In cross-national surveys, purity concerns constitute one of the foundations of moral intuition on all continents (Graham et al., 2011).
