

Somebody Like You: A Lesbian Romance

Sydney and Michelle met in college and fell in love, but as they were graduating the romance ended. Michelle refused to follow Sydney to California and leave her family behind in New York. Michelle knew her mother would never accept her relationship with another woman. Eighteen years later the two women cross paths again. Can they find the love they once had or are they destined to be apart?

For lesbians, how can you tell if shes in love with you? Look for her missing you and making you feel special. Editorial Reviews. About the Author. My name is Marian Snowe, and I write stories about true . main character, is a very practical businesswoman, and Delphine, the love interest, is an idealistic artist.
