

New York Times bestselling author Susan Mallery invites you home to Fools Gold, California, where friends and family are never far, and love is always in the air. They sought fame and fortune and are finally home—the rugged Stryker brothers are back and bringing the heat! Rafe is a pro when it comes to running a boardroom, but a land dispute—and the beautiful blonde on the other side of it—are giving him a real run for his money. His brother Shane just wants to raise horses. He's through with passion, but what will he do when it tracks him down in the form of the town's naughty-but-nice librarian? And though former model Clay has come home in the hopes of starting a family, he's also vowed never to risk his heart again. Can someone in Fools Gold help him change his mind? Collected here for the first time, the third Fools Gold trilogy—plus the bonus novella *Almost Summer*—makes coming home to Fools Gold more memorable than ever.
