Rafe is a pro when it comes to running a boardroom, but a land dispute and the beautiful blonde on the other side of it are giving him a real run for his money. His brother Shane just wants to raise horses. He's through with passion, but what will he do when it tracks him down in the form of the town's naughty-but-nice librarian? And though former model Clay has come home in the hopes of starting a family, he's also vowed never to risk his heart again. Can someone in Fools Gold help him change his mind? Collected here for the first time, the third Fools Gold trilogy plus the bonus novella *Almost Summer* makes coming home to Fools Gold more memorable than ever.
