

Man of Fantasy (The Best Men Book 5)

Close friends since childhood, Kyle, Duncan and Ivan have become rich, successful co-owners of a beautiful Harlem brownstone. The one thing each of them lacks is a special woman to share his life with until true love steps in to transform three sexy single guys into grooms-to-be. Handsome psychotherapist Ivan Campbell could diagnose his own issues in a heartbeat of fear of commitment. Every woman he meets is convinced she's the complete package, yet no one has been able to get past the wall he built around himself long ago. But Nayo Goddard isn't looking for marriage. The petite, stylish photographer plays by her own rules and makes it crystal clear she has no interest in settling down. A fun, passionate, no-strings relationship with Nayo should be the perfect solution for Ivan except suddenly he wants more, much more. And this time, the love em and leave em bachelor may be the one who's left heartbroken.
