

# The Case for Faith Student Edition: A Journalist Investigates the Toughest Objections to Christianity

Lee Strobel knows how important it is to find answers that ring true. With his background as an award-winning legal journalist, asking tough questions has been his business. And while his search for the truth convinced Lee that Jesus is real, it also confronted him with some particularly knotty, gut-level questions about Christianity. Why is there suffering? Doesn't science disprove miracles? What about hell and the millions who've never heard of Jesus? Is God unjust? They're the kind of conundrums that can and have blocked people's faith. They don't have to block yours. Join Lee in a fascinating journey of discovery. You'll gain powerful insights that will reshape your understanding of the Bible. And you'll read true stories of people whose experiences demonstrate that faith in Jesus not only makes excellent sense, but a life-changing difference.
