

Lambs of Sacrifice: Volume 2: A Mystics View

If you have read the first book in the series of Lambs of Sacrifice then you already know that the author has a way of sharing spiritual principles in the most unusual ways; sometimes mischievously, sometimes using physical pictures of spiritual realities, often times throwing in some satire, but always communicating in a way that will challenge your mind sets and belief systems. Volume 2 contains a compilation of 25 completely differing subjects to cause you to think even deeper in your journey with the Lord. Included are visions, poems, stories, satire, dreams, and much more, along with many scripture references so you might verify the thought process for yourself. If satire gives you enjoyment in your reading then The Book of Shepherds is for you. Does reincarnation interest you? Find out what the author mischievously says about it in I Found Reincarnation in the Bible. Every person will be able to relate to several, if not more, of the subjects included in this volume.
