The Inn at Eagle Point Its been years since Abby OBrien Winters set foot in Chesapeake Shores. The Maryland town her father built has too many sad memories and Abby too few spare moments, thanks to her demanding Wall Street career, the crumbling of her marriage, and energetic twin daughters. Then one panicked phone call from her youngest sister brings her racing back home to protect Jesss dream of renovating the charming Inn at Eagle Point. But saving the inn from foreclosure means dealing not only with her own fractured family, but also with Trace Riley, the man Abby left ten years ago. Trace can be a roadblock to her plans or proof that second chances happen in the most unexpected ways.

Flowers on Main When her last two plays are dismal failures and her relationship with her temperamental mentor falls apart, writer Bree OBrien abandons Chicago and the regional theater where she hoped to make a name for herself to return home. Opening Flowers on Main promises to bring her a new challenge and a new kind of fulfillment. But not all is peaceful and serene in Chesapeake Shores, with her estranged mother on the scene and her ex-lover on the warpath. Jake Collins has plenty of reasons to want Bree out of his life, but none of those are a match for the one reason he wants her to stay: hes still in love with her. Jake might be able to get past that old hurt if he knew Bree was home to stay, but is she? The only way to know for sure is to take a dangerous leap of faith.
