

Night Fall Enhanced (Night Trilogy Book 1)

T-FLAC/PSI operative Simon Blackthorne goes to Africa to continue the global war against paranormal terror, never expecting to clash swords with strong-willed Kess Goodall. Kess struggles in her own desperate battle to unravel a deadly plague that has killed millions in the tiny country of Mallaruzza. But Simon proves to be the ultimate distraction: his very presence takes Kess's body to the edge of a pleasure-filled abyss, his touch superbly rapturous. Now, against a backdrop of staggering beauty and horrific violence, with danger at every turn and libidos in overdrive, a spirited woman and an indomitable wizard face a malevolent force more frightening than either can imagine. Battling foes strong and numerous, Kess and Simon must forge a bond strong enough so that they can eliminate a sadistic enemy before Mallaruzza is lost to terrorist control and the world is forever changed. The night sizzles to new heights in this T-FLAC/PSI trilogy
